Orin Swift

ORIN SWIFT

Orin Swift is a collection of art and storytelling that comes to life in one-of-a-kind labels and wine styles. Led by legendary winemaker Dave Phinnet, Dave's passion for wine dates to 1995 when he went to Florence, Italy to spend a semester "studying". After graduating university, he started working as a harvest worker and in 1998, he founded Orin Swift Cellars: with two tons of zinfandel and not much else. He spent the next decade growing the company into an iconic wine house known for its uncompromising creativity.
